I. Recommendation: Adopt Ordinance

II. Applicant: City of Norfolk

III. Description

This agenda item is an Ordinance to appropriate and authorize funds in the amount of \$2,330,516.00 from the Commonwealth of Virginia and to approve expenditure of \$890,981.00 in local match funds from the City of Norfolk into a Special Revenue account to permit the administration of the Comprehensive Services Act (CSA) for Fiscal Year 2014. This is a continuation of the annual funding for the CSA for At-Risk Youth and their Families in the City of Norfolk. This, plus the local match brings the total maximum amount of Fiscal Year 2014 funds for CSA to \$9,000,000.00.

IV. Analysis

On July 1, 1993, the CSA for At-Risk Youth and their Families became law in the Commonwealth of Virginia and combines eight categorical funding streams into a single funds pool. These funds originate from systems involving Foster Care, Special Education, Mental Health and the Juvenile Courts. Access to these funds is accomplished through the use of interagency, multidisciplinary teams that involve not only the traditional public offices dealing with troubled youth, but also include parent, citizens, and private service providers.
